

Day Boxing & Digitisation Workshop

Day Boxing & Digitisation Workshop

Ever been confused over what is required to enable your organisation to move into the digital space and commence day boxing? You are invited to attend a workshop where we will explore the possibilities and help you to understand the legal requirements and ensure compliance with the PROV standards. This will be a very interactive workshop at which we will answer all the questions you have about day boxing and what you need to look out for once you commence this process.

The workshop will be facilitated by Debbie Prout of Prout Consulting who has had extensive experience developing digitisation plans and programs for various organisations. Debbie is also a member of the Public Records Advisory Council and the current RIMPA Chair of the Board.
